Cisco WebEx Meeting Center

Optimize business processes and empower your workforce with online collaboration using Cisco WebEx™ Meeting Center. Bring remote designers and engineers together to review the latest plans. Conduct regular meetings among geographically dispersed staff members. Hold live creative sessions with your marketing and advertising teams. Increase productivity by giving every department access to WebEx Meeting Center with integrated Reservationless-Plus® audio conferencing.

With WebEx Meeting Center, you can:

- Finish projects faster by interacting with anyone, anywhere, anytime.
- Share applications, presentations, documents and your PC desktop in real time.
- Take care of business more efficiently by eliminating back-and-forth email.
- Work with teams across the map—all you need is Internet access.
- Maximize your resources by bringing people together without travel time and expense.
- View participants in high-quality video. Keep track of who's speaking with Active Speaker, which follows the current speaker—automatically. Switch to Full-Screen video mode to spotlight the current speaker without any other distractions.

MEET OVER THE WEB IN REAL TIME

Launch or join a meeting using any web browser. It's easy with WebEx® Web Conferencing solutions. Communicate information and share documents, presentations, and applications just like you do in person. Pitch ideas. Demonstrate products. Discuss the hot issues. Make online meetings even more engaging with high-quality video that automatically switches to the current speaker. Meet online just as if you were face-to-face.

COORDINATE MEETINGS EASILY

Keep everything running smoothly using WebEx Meeting Center floating panels with separate attendee and host views. Deliver clear, interactive full-screen presentations and show documents to participants. Manage meeting functions behind the scenes with control panels.

COUNT ON CISCO FOR SECURE, SCALABLE WEBEX SERVICE

WebEx solutions are delivered on demand over the global Cisco® Collaboration Cloud. No new software or hardware is required, making these services easy to implement and scale as your needs change. The Cisco WebEx Collaboration Cloud offers better than 99.99% reliability, as well as robust security, to meet your strict requirements. Your session content is never stored on our servers and 128-bit SSL and 256-bit AES encryption ensures privacy during transmission. WebEx services are stringently audited against ISO-17799 standards with compliance details provided in a SAS 70 Type II report and other third-party security reports.

Cisco WebEx Meeting Center

Make online meetings easy and productive with a powerful set of features.

DOCUMENT, APPLICATION, AND DESKTOP SHARING

Show documents, applications and your desktop to remote attendees in real time. Pass control to attendees so they can share their desktops or annotate yours. Collaborate on content as you annotate and enlarge documents or graphics. Switch between different sharing modes without transitions or distractions. No need to upload files to a server.

RICH MULTIMEDIA EXPERIENCE

Engage your audience by incorporating multimedia in your presentations: Microsoft® PowerPoint®, Adobe® Flash® animations, and audio and video.

INTEGRATED AUDIO

Offer a rich meeting experience with Reservationless-Plus integrated audio conferencing. Choose toll or toll-free with call-in or call-back.

ENHANCED VIDEO SERVICES

See video participants in high-quality Full-Screen video mode to watch the speaker without other visual distraction. The intuitive Active Speaker feature of WebEx Meeting Center can automatically switch the video to the current speaker.

ACTIVE TALKER

Identify who's speaking by a flashing icon in the meeting participant panel.

VIDEO CONFERENCING

Give your attendees a real-time visual reference. Simulate face-to-face meetings with Multi-Point Video or Full-Screen video mode.

MEETING RECORDING, EDITING AND PLAYBACK

Record meetings and applications for future reference, training or demos.

DESKTOP INTEGRATION SUITE

Initiate meetings instantly from Microsoft Office, Microsoft Outlook, Lotus Notes®, and a variety of instant messaging solutions, including Cisco WebEx Connect.

ONE-CLICK MEETING ACCESS

Start a meeting and invite attendees instantly from your desktop, taskbar or favorite applications.

EASY MEETING INVITES

Send meeting invitations and reminders using an automated phone call, text message, email from your local client or IM, including WebEx Connect and other instant messengers.

ENTERPRISE INTEGRATION

Use a single sign on to access WebEx Meeting Center and other enterprise applications integrated with WebEx solutions.

Cisco WebEx Meeting Center

CROSS-PLATFORM SUPPORT

Meet with anyone using WebEx Meeting Center, on all common operating system platforms: Windows, Mac, Linux and Solaris—or even on a mobile device.

CISCO COLLABORATION CLOUD PERFORMANCE AND RELIABILITY

Conduct multipoint interactive meetings worldwide—without latency or interruptions.

SWITCHED NETWORK, 128-BIT SSL ENCRYPTION AND PKI SECURE MEETINGS

Secure your most confidential meetings with end-to-end security encryption. Control access by requiring attendees to present PKI certificates to join.

FLOATING PANELS

Deliver full-screen views for attendees while you manage meeting activity behind the scenes.

PRESENTATION NOTES PANEL

View presentation notes within a private panel while you share a presentation. WebEx Meeting Center is updated regularly to meet the latest system compatibility needs.
